

Logitech MK250(920-013519)

Logitech MK250 - Keyboard and mouse set - wireless - Bluetooth LE - QWERTY - US International - graphite

The Logitech MK250 keyboard and mouse set offers a reliable and wireless solution for everyday computer use. Designed with comfort and functionality in mind, this set features a spill-resistant design to protect against accidental spills, ensuring durability. The keyboard includes a numeric keypad and adjustable height for optimal ergonomics, while the mouse operates with an optical movement detection technology with a resolution of 1000 DPI. With a maximum operating distance of 10 m, enjoy the freedom of wireless connectivity through Bluetooth LE, providing a clutter-free workspace. Made from 64% post-consumer recycled plastic, this set aligns with sustainability efforts, making it an eco-friendly choice for consumers.

Key Selling Points

Wireless keyboard and mouse set for a clutter-free workspace

Spill-resistant design enhances durability

Adjustable height keyboard for improved ergonomics

Optical mouse with 1000 DPI resolution for precise control

Made with 64% post-consumer recycled plastic

Product Features

Reliable wireless connection

The MK250 features Bluetooth LE connectivity technology that ensures a stable and uninterrupted connection up to 10 m away, providing flexibility and ease of use.

Comfortable typing experience

The adjustable height of the keyboard allows users to customize their typing position, promoting a more comfortable and ergonomic experience during use.

Enhanced durability

Crafted with a spill-resistant design, this keyboard can withstand accidental spills, ensuring that it remains functional and durable over time.

Eco-friendly construction

Constructed from 64% post-consumer recycled plastic, this keyboard and mouse set supports sustainability efforts while reducing environmental impact.

Precise control

The optical mouse features a 1000 DPI resolution, providing accurate and responsive tracking for a smooth user experience.
