

## OtterBox Symmetry Clear MagSafe Camera Control Apple iPhone 17 Pro Max - clear(77-98856)

### OtterBox Symmetry Clear MagSafe Camera Control Apple iPhone 17 Pro Max - clear

The OtterBox Symmetry Series Clear protective cover is designed for cell phones, providing a blend of style and protection. Made from durable polycarbonate and thermoplastic elastomer (TPE), this case features a sleek and ultraslim design that adds minimal bulk while offering safety. The raised edges ensure screen and camera protection, while built-in magnets and seamless wireless charging support enhance convenience for everyday use. Environmentally conscious consumers will appreciate that the case is made from 40% recycled materials, aligning functionality with sustainability.

## Key Selling Points

- Sleek design enhances the look of your device
- Built-in magnets enable easy wireless charging
- Raised edges protect screen and camera from scratches
- Constructed with 40% recycled materials
- MIL-STD-810G compliant for reliable durability

## Product Features

### **Slim and sleek design**

The ultraslim design of the OtterBox Symmetry Series Clear case ensures that it fits comfortably in your hand and slips easily into pockets without adding bulk.

### **Enhanced protection**

This case offers comprehensive protection with raised edges that safeguard both the screen and camera against scratches and impacts.

### **Built-in magnets**

With integrated magnets, this case supports wireless charging, allowing for a seamless charging experience without the need to remove the case.

### **Recycled materials**

The cover is crafted from 40% recycled materials, making it a responsible choice for eco-conscious consumers looking to reduce their carbon footprint.

### **MIL-STD-810G compliant**

Manufactured to comply with MIL-STD-810G 516.6 standards, this case is built to withstand everyday drops and bumps, providing durability.
